

LITTLE BIG HORN FEATURES

Little Big Horn Megaphone

Handheld Megaphone Specifications

Advancing Technology

Emergency situations require immediate emergency awareness. In the event of an evacuation everyone must be able to hear instructions for crowd control purposes. The Little Big Horn is easy to use, easy to store and loud so you can be heard clearly and distinctly. You can hear it from over 1000 yards away and its siren signal alert will surely grab everyone's attention.
